Subject Index

Volume 6

International O&P

International standards organization terminology: application to prosthetics and orthotics. Schuch, C Michael, CPO, FISPO; Pritham, Charles H, CPO. 1994;6:1:29-33.

Orthotics—Cervical

The effectiveness of four contemporary cervical orthoses in restricting cervical motion. Lunsford, Thomas R, MSE, CO; Davidson, Michael; Lunsford, Brenda R, MAPT, MS. 1994;6:4:93-9.

Orthotics—Lower Extremity

Orthotic management of Charcot-Marie-Tooth. Kamp, John J, CO, OPA. 1994;6:4:108-12.

Providing orthoses for spina-bifida patients. Dittmer, Klaus. 1994;6:3:83-7.

Orthotics—Lower Extremity: Ankle-Foot

The development of an orthotic management protocol for preambulatory children with spastic diplegic cerebral palsy. Weber, Donald; Russell, Dianne; Plews, Nancy; Gowland, Carolyn; Evans, Catherine; Rosenbaum, Peter. 1994;6:3:67-73.

Viscoelastic properties of plastic pediatric AFOs. Lunsford, Thomas R, MSE, CO; Ramm, Thomas, RTO; Miller, Joseph A, CP. 1994;6:1:3-9.

Orthotics—Lower Extremity: Hip

Team management of hip revision patients using a post-op hip orthosis. Lima, Dulcey, CO; Magnus, Robert, MD; Paprosky, Wayne G, MD, FACS. 1994;6:1:20-4.

Orthotics—Materials & Methods

Four-bar swing-shell closure for weightbearing orthoses and prostheses. Dennis, Tim, CO; Anderson, Todd, CP; Hall, Richard, RTPO; Ryan, Timothy. 1994;6:1:25-8.

Prosthetic and orthotic lab applications in medical imaging head immobilization. Pilipuf, Marc N, ME; Berry, John M, RTP; Goble, John C, PhD; Kassell, Neal F, MD. 1994;6:3:79-82.

Orthotics—Seating Systems

Specialized seating program in Riyadh. Al-Turaiki, Mohammed HS, PhD; Al-Falahi, Laith AA, PhD. 1994;6:2:52-6.

Orthotics—Spinal

Orthotic management of scoliosis in familial dysautonomia. Cappa, Anthony J, CPO; Burke, Stephen W, MD; Axelrod, Felicia B, MD; Levine, David B., MD. 1994;6:3:74-8.

O&P Research

Finding answers to your research question: the art and science of data collection. Nielsen, Caroline C, PhD; Lin, Robert S, CPO. 1994;6:4:121-4.

Prosthetics/orthotics research for the twenty-first century: summary of 1992 conference proceedings. Michael, John W, MEd, CPO; Bowker, John H, MD. 1994;6:4:100-7.

Protocol and procedures. Schuch, C Michael, CPO, FISPO. 1994;6:2:57-60.

Research and technology in prosthetics and orthotics. Pritham, Charles H, CPO. 1994;6:3:88-91.

Prosthetics—CAD/CAM

A survey of clinical CAD/CAM use. Steele, Andrew L, CP. 1994;6:2:42-7.

Prosthetics—Education

Patient education information: readability of prosthetic publications. Smith, Craig R, CP; Smith, Carol A, MS, CRC. 1994;6:4:113-8.

Prosthetics—Lower Extremity
Sense of feel for lower-limb amputees: a phase-one study. Sabolich, John A, CPO; Ortega, Giovani M. 1994;6:2:36-41.

Prosthetics—Lower Extremity: Below-Knee

Early management of elderly dysvascular transtibial amputees. Cutson, Toni M, MD, MHS; Bongiorni, Dennis, PT; Michael, John W, MEd, CPO; Kochersberger, Gary, MD. 1994;6:3:62-6.

Prosthetics—Materials & Methods

Four-bar swing-shell closure for weightbearing orthoses and prostheses. Dennis, Tim, CO; Anderson, Todd, CP; Hall, Richard, RTPO; Ryan, Timothy. 1994;6:1:25-8.

Prosthetic and orthotic lab applications in medical imaging head immobilization. Pilipuf, Marc N, ME; Berry, John M, RTP; Goble, John C, PhD; Kassell, Neal F, MD. 1994;6:3:79-82.

Prosthetics—Upper Extremity: Hand

Options for finger prostheses. Buckner, Horst, MDT, CDT; Michael, John W, MEd, CPO. 1994;6:1:10-9.

Switch-activated electrically controlled prosthesis following a closed head injury: a case study. Berbrayer, David, FRCP(C); Farraday, Wallis T, CP(C), CP(N.Z.). 1994;6:2:48-51.

The use of silicone suspension sleeves with myoelectric fittings. Salam, Youssef, MSME, CP. 1994;6:4:119-20.

▶ An Academy Home Study Program ◀
designed with your PCE needs in mind.

◀ Each JPO issue offers instructionally designed lessons that allow you to earn Professional Continuing Education credits (PCEs).

JPO quizzes: The Academy's new way to earn PCEs at home or in the office.
